

The simplest data query?

```
{  
  lists {  
    id  
    items {  
      id  
      what  
      when  
      byWho {  
        id  
        name  
      }  
    }  
  }  
}
```

The simplest data query?

```
GET /lists
{
  lists {
    id
    items {
      id
      what
      when
      byWho {
        id
        name
      }
    }
  }
}
```
